Step 2: Buyer's Application and Approval

Once we receive your email, we will send an application invite to the Buyer. The Buyer must:

1. Complete the application in full.
2. Undergo and pass screening.

Buyer Application Requirements

To pass the application process, the Buyer must comply with one of the following options if they do not meet the standard credit and income requirements (credit score of 650 or higher and monthly income of at least 2.5 times the monthly rent):

1. **Guarantor (Cosigner) Option:**
    a. Add a guarantor who will be financially responsible if the Buyer is unable to meet their lease obligations.
    b. The guarantor must pay an application fee and pass a background check.
2. **Double Deposit Option:**
    a. Opt for a double deposit of $800, which is fully refundable at the end of the lease, provided there are no damages, unpaid rent, or excessive cleaning fees.

Note: The application must be approved before any further steps can be taken.

Step 3: Signing the Contract Transfer Agreements (CTAs)

Once the Buyer's application is approved:

1. **Seller (You):** Sign the Seller Contract Transfer Agreement (Seller CTA).
2. **Buyer:** Sign the Buyer Contract Transfer Agreement (Buyer CTA).
3. **Guarantors (if applicable):** Both the Seller's and Buyer's guarantors must also sign their respective CTAs.

These agreements authorize Liberty Square to transfer the lease from the Seller to the Buyer.

Step 4: Signing the New Lease

After the CTAs are signed:

- The Buyer (and their guarantor, if applicable) will receive the new lease to review and sign.

Step 5: Paying the Fees

Both the Seller and Buyer must pay applicable fees for the transfer to be finalized:

- **Seller:** A Contract Transfer Fee will be charged to your account. This fee is:
  - **85% of one installment** plus:
  - **The difference between your rate and current market rate**, multiplied by the number of remaining installments (if your rate is lower than the current market rate).
  - If your rate equals or exceeds the current market rate, only the 85% fee will apply.
- **Buyer:** A one-time **Administrative Fee** will be charged to your account.

Both fees must be paid in full before the transfer is finalized.

Seller Responsibilities

- Notify the office of any parking pass associated with your lease that needs to be canceled. **Parking passes are non-transferable.** When you move out, your parking spot will be assigned to the next person on the waitlist, not your Buyer.
- **Check out with the office *prior* to the transfer date.**
- Return all keys, parking permits, and any other issued items.
- Remove all personal items and clean both private and common areas. The apartment must be move-in ready. Failure to comply will result in cleaning fees or penalties starting at $70.

Buyer Responsibilities

- Check in with the office *on or after* the transfer date during office hours to receive keys, parking permits, and other items.

Important: Sellers and Buyers (and their guarantors, if applicable) are prohibited from directly exchanging keys or parking permits. Failure to check in/out properly will result in lease violations for all parties.

Additional Guidelines and Notes

Finding a Buyer

We recommend using platforms like:

- Facebook Marketplace
- KSL.com
- FindMyPlaceOfficial.com

Non-Transferable Items

- Security deposits, parking passes, and concessions are non-transferable.
- Buyers must purchase parking separately.

Rent Responsibility

- Liberty Square does **not prorate rent.**
- If the lease begins:
    - **Between the 1st and 5th of the month:** The Buyer is responsible for that month's rent.
    - **After the 5th:** The Seller is responsible for that month's rent.
- **August Leases:** The Buyer is responsible for the full August installment if the lease begins at any point in that month.

Autopay Reminder

We recommend the seller turn off any autopay set up to ensure the transfer is smooth and to avoid duplicate or misdirected payments.

Apartment Readiness

- Sellers are responsible for ensuring the apartment is clean and ready for the Buyer before vacating.
- If the apartment is deemed "not ready," Sellers may incur additional charges, including a $200 Apartment Transfer Fee if the Buyer must be relocated.

Blackout Dates

Transfers cannot occur during move-in blackout periods. Review the transfer calendar below.

Failure to Complete the Process

- If the Buyer fails to complete the leasing process, the Seller remains responsible for all lease terms and conditions.
- Liberty Square is not responsible for any agreements or "deals" made privately between Sellers and Buyers.
